PEOPLE FIRST

**“I love the design -
It’s almost invisible
on my ear”**

GET More

WHY settle for less. . .

Why let hearing loss prevent the good times from happening? Why settle for a hearing instrument that's a compromise?

WHEN you can get more with Vigo

A new digital hearing instrument, Vigo gives you more to help your hearing perform at its best – in the situations you care about the most.

MORE value for money. . .

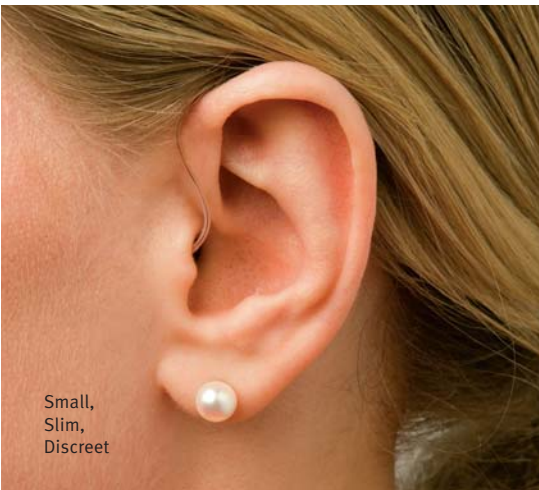

Simply put, Vigo offers more value for money than any hearing instrument in its price category. With that comes all the confidence and fun that results from better hearing. With Vigo, getting more out of your hearing means getting more out of your life!

- Great cosmetics
- Advanced hearing technology
- Easy to use

**“I completely
forget that I’m
wearing them”**

Small,
Slim,
Discreet

MORE Confidence

Keep the focus on you, instead of your hearing.

Whether you choose a Vigo that fits snugly inside your ear, or discreetly behind it, you'll feel more confident in how you interact and communicate with others. Vigo has the rare combination of small size and amazing performance.

- Available in a choice of cosmetically appealing models
- Wide choice of colors to match hair color and skin tone
- Small, slim and virtually invisible

MORE Understanding

Don't be left out of the conversation. Vigo delivers more high pitched sounds – so you get more speech understanding even from words that are typically difficult to hear. With Vigo you can hear people talking even when noise is coming from different directions around you.* Vigo automatically reduces unwanted noise without reducing the volume of speech, for a very comfortable and clearly understandable listening experience.

Vigo's advanced, technology gives you a sound quality you could only previously find in a premium-priced hearing instrument.

** Hearing performance in noise will vary depending upon hearing loss*

**“Better speech understanding –
even in larger groups”**

- Vigo contains an advanced Directional Microphone System to help you understand speech in noisy situations
- An effective system to identify and reduce unwanted noises for better all around listening comfort.

MORE User-Friendly

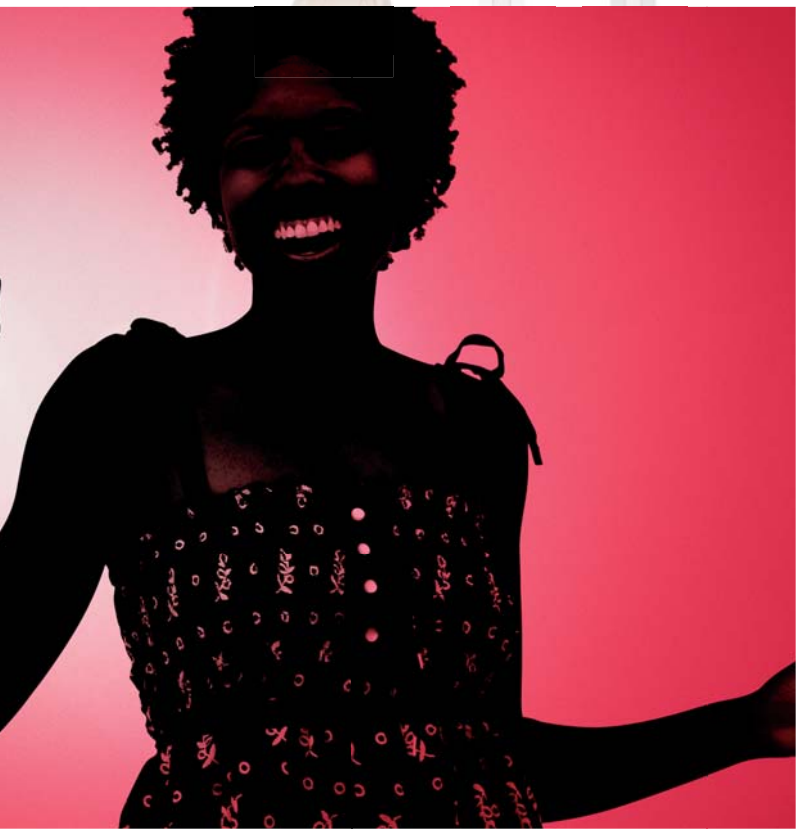

Let Vigo do the work for you.

Vigo's DecisionMaker2 ensures that sound is perfect wherever you go. It continuously and automatically adjusts the settings to fit the actual listening situations.

**“Makes listening easy
and comfortable”**

- Vigo is simple to use and fully automatic
- DecisionMaker2 automatically ensures optimal instrument settings
- Volume Control learning automatically adjusts the volume control to your preferred setting in different situations

**“A very positive
experience”**

MORE Life

Vigo lets you get more out of life. Vigo is easy to use, easy to adjust to and easy to live with. In fact, your listening experience with Vigo may be so natural that you might even forget you are wearing them.

Don't let hearing loss get in your way or slow you down, call today and try Vigo for yourself.
